- Attachment C      Summary of the program schedules of the commercial television stations licensed to Baltimore during the period from September 23, 1991 to September 29, 1991. The information contained in Attachment C was compiled from issues of TV Guide for the relevant period. - Attachment E      **Summary** of issues ascertainment contacts made by some WMAR-TV personnel during the License Term. The documents in Attachment E were originally prepared in 1992 at the direction of Emily Barr from information gathered by individuals working under her supervision. In preparing the attachment, she relied upon her own calendar and recollections and the calendars and recollections of Arnold Kleiner and Maria Velleggia. In addition, she relied upon discussions with and notes of Janet Covington, the former Public Affairs Director. At that time, Ms. Covington already was a former employee of the station who had volunteered to help Ms. Barr on her own time. Ms. Covington had kept the notes in her possession when she left the station. It did not occur to Ms. Barr to preserve Ms. Covington's handwritten notes after their discussions.

The log was originally prepared by T.J. Brightman, an intern at WMAR-TV. Ms. Scott-Hilbert's and Mr. Brightman's summaries relied on the Contact 2 work files, kept in the ordinary course of business. Mr. Brightman's summary also relied on the Contact 2 card files, also kept in the ordinary course of business.
